

HERE'S WHAT TEACHERS AND STUDENTS ARE SAYING ABOUT GREGG LEROCK:

"Gregg LeRock's concert was totally entertaining and a huge success. The level of participation was bursting at the seams. It was a delight to hear core French and F.I. students singing "en français". They were totally engaged. Bravo!" Katharine Wainman, Curriculum Consultant UGDSB

"I didn't used to like French very much but now I love it. Your songs rock!" Vijay S., student, PDSB

"Gregg LeRock has an incredible stage rapport with Grade 1-8 Core and French Immersion students. Our students were totally engaged and entertained by his show. I have never seen so much enthusiasm for French! Gregg implicitly teaches about different genres of music throughout his bilingual act. CDs of the concert songs are sent to the teacher in advance so that students are familiar with the lyrics and can fully participate with Gregg during the concert. Every student in Ontario should have the opportunity to participate in Gregg's concert. Don't let your students miss out!" Elizabeth Kagazchi, FSL teacher/consultant, DDSB

"I love your CDs but seeing your concert was even better! It was definitely the best thing our class did this year!" Chelsea B., student, SCDSB

"Great for both our French immersion and Core French students! Students were actively involved in the concert - not only were they clapping and moving to the music, but they were singing along because they'd learned the songs in their classrooms. Gregg invited groups of students of all ages to participate on the stage during several of his songs. All of the students loved the music. It was a very motivating way for the students to be involved in a French activity and to make learning French 'cool'!" Sally Warburton, French immersion teacher, TDSB

"The combination of audience participation and audience management kept our students in check throughout the performance with very little need for teacher intervention. They were so engaged that there were groans when the concert was over. My kids immediately asked if we could see him again next year. Gregg puts on a great concert: engaging, creative and, most importantly, fun. We'll definitely be booking again!" Kim Watters, FSL teacher, TDSB
